WORK EXPERIENCE

DATA ANALYST - INTERN
Trinity
Sept 2022 - Dec 2022

- Gave a detailed report to the Marketing team and investors regarding sales trends, most used techniques, etc. using MS SQL, PowerBI and Tableau. It helped the Marketing team to make data-driven decisions.
- Prepared a report for the HR (Personnel Resources) department of the company, analyzing the distribution of each department which guided the HR department to take recruitment decisions accordingly.
- The Operations department had the highest share of the total workforce which accounted for 30% (1852).
- Found insights regarding the most profitable movie being Avatar with a profit of \$233,554,87, two directors being James Cameron with 14.1% mean score of 8.5 and King Kong stage with 10.1% mean score of 8.6 using the IMDB dataset, etc.
- Reported to the Bank the type of customers it must approve or reject while providing the customers with loans, the bank had 93% of Non-defaulter and 7% of defaulter that means the bank was in a good state having low NPLs than Performing Assets.
- Gave a detailed roadmap to the Chief Marketing Officer (CMO) of a car manufacturing company so as to decide the marketing strategy for next FY 2022 based on the current FY 2021 sales in each quarter.
- Proposed an approach to distribute the agents at the call center which defined the path to keep absentee rate as low as 15%.

PROJECTS

- Made a Book Recommendation Engine/Type based on Collaborative Book Filtering technique (1 star)
- Gave a detailed analysis on the trends of COVID-19 cases all around the world from Jan 2020 to July 2023 using the San Jose U case library of python in July 2020 being the most confirmed cases all around the world 363850436
- Made a Digit Recognizer using the MNIST dataset available on Kaggle with a accuracy of 93.81%

ACHIEVEMENTS

- Got a score of 0.7555 in Data Science Analytics competition of Future
- Got a rank of 1020 in Kaggle's digit recognizer leaderboard with a Accuracy of 0.94860

P.S. Though in the image attached above the name says “Guru” but it’s my resume score only.

The reason is I had reached the maximum limit of 6 for my account on resume worded and for reuploading, the site asked me to purchase their subscription.

So, I did my resume analysis on resume worded through my father’s account.
